

April 14, 2020 Mrs. Clark

Geography 20

Dear Grade 10s:

Well, here we are in Week 3 of your learning at home; I hope you had a nice Easter weekend and are ready to get back to work. Here is your assignment for the week:

- 1) Work on at least one selection from your **April Monthly News**;

- 2) Continue “Understanding Treaties and the Indian Act”:
 - **Lesson 2: Nation and Sovereignty**; complete Task 3
 - **Lesson 3: The Formation of Canada**; complete Task 4
 - **Lesson 4: Treaty Promises**; complete Task 5

Be sure to actually read these pages thoroughly- including the charts and maps - do not just skip to the questions! Please answer the questions in detail (in complete sentences) in pen. I expect to see mature, thoughtful, high school-level answers- not just a few scribbled words.

Write your name on this booklet and return it to the school on **Tuesday, April 21**.

If you have any questions or concerns, or if you need something from school, please be sure to let me know.

Good luck!

Mrs. Clark
