WORK PACKAGE 7

TUESDAY APRIL 28TH

Lifeworks tasks:

Last week you worked on activities that you had 2 weeks to complete. The lesson 10 assignment, “Assignment 8” **Leisure as a part of Life-Work** is a week long assignment tracking your leisure activities. You may complete this assignment this week and hand it in when you are able to.

Now is a good time to recap what we learned already. Look over your notes from unit 2. That would include lessons 1 “Job or Occupation” all the way to Lesson 10 “Leisure as a part of work”. All these lessons have been handed out as work packages since the school closure over one month ago. You should have all the lessons if you have all the work packages already. If not, you may complete this assignment once you have all your work packages. However, you should be ok to complete most of the Unit review assignment without all the notes.

Here is a “Recap” of Unit 2

- Job or Occupation
- Life possibilities after high school
- Occupation hunt
- Learning about money
- Self Employment
- Local Employment opportunities
- Work Values
- Transferrable skills
- Life roles and responsibilities
- Leisure as a part of Life-Work

Once you have reviewed your notes, you may complete the final activity of this unit.

- Assignment 9 – Unit review Assignment: This is a review assignment, use your notes to help you answer the questions. Once you have completed this assignment you can hand it back in to me for term 2 marks when you next hand in work to the school or to the bus if you are receiving bus drop offs and pick ups, however it works.

<u>Lesson #</u>	<u>Possible dates for completion</u>
Lesson 10 notes <u>Leisure as a part of Life-Work</u>	23 April
Assignment 8 – <u>Leisure as a Part of Life/Work</u>	04 May
Assignment 9 – <u>Unit review assignment</u>	04 May

Remember!

As you continue to work through these work packages, keep in mind that only assignments need to be turned in, not full lessons of notes. You can keep your notes! Use the “Homework Hand in Checklists” to know what assignments need to be returned for marks and which ones to keep for yourself for future assignments.

You are only handing in Assignment 8 Leisure as a part of Life/Work and Assignment 9 “Unit Review Assignment” next week.

Please write your name -> First and last name. Thank You!!!
