Can 10F

Mrs. Clark

Hi guys!

Here we are in the final stretch! Just a few weeks left and this is your last Can10F package. As with all the work before, I have included a variety of different assignments so that there should be something for everyone. I do not expect everyone to do everything but I do hope that you will **try something**.

This final package consists of two sections: **Weekly/Monthly News** and **Canada's Judicial System**. It seems like a big pile of work but it really isn't- take a look and you will see that it is easier than you think. (And you might even find it interesting!)

**Weekly/Monthly News:** Just read and work through the assignments like you have in the past. Nothing new here!

**Canada's Judicial System:** It looks like a huge assignment but there are actually only a few questions:

**Page 203 # 1a, b 2, 3, 4, 7a, b**

**Page 215 # 1, 2, 3**

I have included some hints to help you find the answers on these pages; please do not just copy from the text but put them into your own words.

And that's it.

When you complete this, you will have completed Can10F.

It feels good, doesn't it? I knew you could do it. 😊

The absolute final deadline for any work (any subject) to be turned in is **Friday, June 19**. But do not wait until the end! The buses will not be running for delivery and pickup past June 5 so the sooner you get your work in to your teachers, the better! Remember that everything you do adds to your mid-term mark!

All your teachers will be returning to school on June 1 to get ready for next year. You will not be able to come to school yet but you will be able to come to the front door by the office to pick up or drop off work.

And you can always email or phone if you have any questions; I have even gotten a few texts from some of you- very cool! Good thinking!

I think that's all I have to say today. I hope that you have been staying safe and healthy. Be sure to get outside and get some fresh air and sunshine!

Take care.

Mrs. Clark
